This end-of-group home is uniquely situated on the far-corner of Howard's Ridge. It offers plenty of open spaces, privacy and a view off the deck that looks two miles away into Patapsco State Park. The home is only 7years new and well maintained. Beautifully painted interior rooms will show-off your furniture and the flood of sunlight through the many extra windows will keep your mood bright. Stay warm by the fireplace in the formal living room, entertain your friends in the formal dining room. When its time for work or relaxation, go upstairs to the loft to read. It makes a great library or office space. The walk-out basement is a finished recreation room and features Berber wall to wall carpet. It's ready for a pool table, large screen TV or whatever activity draws your family and friends together. Leave the rec-room through the sliding-glass door to play some touch football in this private and quiet corner of a busy world.
