Description

Main Level ♦Foyer entry is bright and inviting with slate floor and view of formal living room. Enter via stoned courtyard or covered porches from two-car garage. ♦You will welcome your guests to a 23'x15' formal Living Room area with fireplace and hardwood floor. A large picture window overlooks your manicured, treed backyard. ♦Formal Dining Room with hardwood floor and chair molding provides a superb dining arena! Pela sliding glass doors afford entryway to deck and scenic, private backyard. ♦Bright, country-style kitchen, with breakfast bar, provides lots of workspace, plentiful cabinets, and dining area. Porch access leads to garage and side yard. Enjoy a fire and friendly times in the adjacent family room. ♦Master bedroom is 19'x13' with walk-in closet, full-bath with window and separate vanity area. Hardwood floor and three windows compliment the area. ♦Second bedroom is a 14.5'x13.5' guest's heaven! Bright and cheerful with two windows and large closet. ♦Third bedroom is 13'x11" with window and large closet. ♦Fourth bedroom is 13.2"x10.5" with a double window, double door, closet, and hardwood floor. This is a great room for a nursery or study! Upper Level ♦Whole-house, walk up attic for abundant storage. Large fan is thermostatically controlled. Lower Level ♦A fabulous, multi-use, multi-windowed, finished 35'x14' recreation room highlights this level. Built-in bookcases and fireplace truly compliment the entertainment space with guest half-bath. ♦Workroom with built-in shelving, cabinets, and window and Laundry room with work area. ♦Let your imagination wander with possibilities for other room divisions: exercise, office, game rooms, ...! Unlimited options! Lots of windows!
