Description

List your Durham Region private sale real estate on the internet's oldest and largest FSBO website that helps you with the home selling process. HomesByOwner.com receives over 50 million hits a month. We have homesellers flat fee marketing packages available from \$249. Go to HomesByOwner.com/Durham and click 'Sell A Home' for more details. We come to your home, take up to 20 photos and create a professional presentation. It's like having an 'Open House' everyday. You will get your personal 'direct' web address. It's like having your own website. Use it in all your advertising to run smaller ads and save money. You can save more on 1 ad than you pay for a package. Buyers now want all the information before they call anyone. We personalize your 'For Sale' yard sign, like the above, with your phone number and web address. It is then professionally installed on your lawn with a solid wood post. Included are directional signs to point traffic to your property off busy streets. We provide an unlimited supply of professional colour feature sheets to hand out. Post unlimited 'Open House' announcements. You have unlimited use of our Automated Property Hotline. Call 800.555.OWNER right now. When prompted, enter '47091'. We supply you with a personalized yard sign to display the Hotline number and your 5 digit code. You are in control at all times with your FSBO User Center to manage all details of your listing, including changing the price, adding Open Houses, etc. Any changes take affect immediately. Your home will also be advertised on 6 national real estate websites, including Google Base and Oodle.com. You can create a blog, post your listing to Craigslist.ca and create an email flyer to send to family and friends. You are never alone because assistance is a phone call or email away. This company is owned and operated by an ex-realtor. We know Durham Region and we know the real estate business. We are your Durham Region Real Estate For Sale By Owner solution.
